Dear Ken,

We seem to keep so busy that when it is possible to take time to write letters, the time is usually close to midnight. But I want to get a short note off to you at last; I've been planning to do it for a long time. We're glad to hear of your work through your letter - and we have you down on our prayer list - to remember regularly. Congratulations on your recent marriage. Trust you'll be able to use the little philosophy at the time; it's some of the best money.

You may remember my wife, Ken; she graduated from Moody in December '49 - Marilou Hobbith. We were married June of 51; the Lord has blessed us with a son - Stephen Edward who is now almost 9 mos. old. We spent the last year in Los Angeles where I took the missionary medical course at Biola. It was an intensive thing - but well

Mumunang pahina. Wauwatosa, Wisconsin, 27 Agostu 1952.

will come in handy in our work. At-re
planning on leaving in December of this year
for Ecuador, South America — to work with
the Quichua Indians. We feel God is
leading us there — and so we continue
to trust Him from day to day as the
way is opened up.

Just wanted to get this off to you
with this short note. I trust God will
continue to encourage you in the work —
as you fellowship with Him.

Prayerfully,
Ed McCully

Kaduang pahina.
